

**These meals
remind our crew
who we protect
and why we train as
hard as we do.
I cannot thank you
enough for the
excellence the Navy
gets in return.**

USS TEXAS (SSN-775)**

WE SERVE THOSE WHO SERVE

When service members leave for deployment, their whole family serves with them. Home life does not stop. It continues on, just missing a key component.

A Warriors Table has provided 'Welcome Home' meals to returning service members and their families for more than 10 years, offering a chance for everyone to be together again and celebrate a job well done.

A DELICIOUS WELCOME HOME

From the flat land of US Army Base Fort Cavazos to the beaches of Joint Base Pearl Harbor/Hickam, A Warriors Table has been there to welcome our service members back home with authentic, Texas-style BBQ, and a taste of gratitude.

HELP US CONTINUE THE MISSION

Help A Warriors Table remain the 'force multiplier' they have become. Your generous donation allows us to continue to honor those who have served, as they return home to their families.
